Re: Ex Parte  
CC Docket No. 95-116 and RM 8535, Telephone Number Portability Cost  
Classification Proceeding

Dear Ms. Salas:

On January 6, the undersigned, Mike Knapp, Wil McKoy and Sammy Thomas of Bellcore met with Jim Schlichting, Katie King, John Scott, Kris Monteith of the Commission's Common Bureau Staff, to discuss cost models issues raised in Paragraphs 55 and 56 in the Commission's December 14 Order in the above-referenced proceedings.

Bellcore explained to the Bureau staff that its cost models are available to interested parties upon the execution of a protective order or confidentiality agreement; thus, use of its models by carriers to develop local number portability rates should not cause any regulatory concerns. The attached viewgraphs were used in the discussion.

Pursuant to Section 1.1206(b)(2) of the Commission rules, an original and two copies are attached.

Should you have any questions regarding this filing, please call the undersigned.

Sincerely,

  
Louise L. M. Tucker
